

VISITING LEAVE VIOLATIONS

TWELVE MEN ISSEI BOARD, ADVISORY GROUP TO BUTTE COUNCIL

Twelve members of the Issei Advisory Board to the Butte Temporary Community Council were named yesterday by the Council's committee responsible for selecting the members.

Last night at a meeting of the Board, four members were selected to serve on the 10-men Advisory Commission. They were Shotaro Mikida, Robert Hayashi, John Fukushima, S. Goto, Harry Miyake, central block manager, and five members of the Community Council make-up the balance of the Commission.

The twelve men selected by the committee were Mikida, Hayashi, Fukushima, Goto, T. Kinoshita, R. Ezaki, K. Ruzaki, J. Toguri, H. Oishi, H. Hirose, Y. Okano and Y. Oshima.

Equipment Survey Starts To Find Actual Facts In Charges

A compulsory survey of all farm equipment owned by the evacuees at the time of evacuation started this week in both communities, stated A. F. Chamberlin, evacuee property officer.

The survey was instituted as a result of the claims made by interested parties and organizations that a large amount of evacuee-owned idle farm equipment are stored in California. The survey, Chamberlin stated, would give as fair a picture as possible of the actual facts.

The latest reports from Orange County, where most of the agitations are centered are that huge caches of idle equipment have been found.

Jeopardizes Future Leaves

Though the benefits of living in a free zone should be made available to as many residents as possible, if the few who are violating WRA regulations relative to leaving the community continue to do so, there will be no other alternative other than to revoke all visiting leaves for all other residents, warned Project Director Leroy Bennett, in a statement to the press yesterday.

According to the Project Director, reports have come in indicating that a few evacuees have been taking WRA automotive equipment and driving out of the Project area limits during daytime and evening hours. Only persons with

WRA TO ACQUAINT PUBLIC WITH EVACUEE WORK SKILLS

Preliminaries for a pictorial campaign by the WRA to introduce evacuee labor skills to the public and prospective employers have been started, disclosed Mary Bonack, out-

side placement officer in charge of Gila, Poston, Topaz and Granada communities.

Miss Bonack recently toured the four centers and met with relocation officers located in Utah, Colorado and other southwestern states. She stated that 44 relocation ranch offices have been set up, or in the process of being set up, under the four main offices, including one in Phoenix, Arizona and Albuquerque, New Mexico.

With the creation of the branch offices, intensive efforts are being made to uncover jobs in more varied fields. Miss Bonack indicated that results will begin to show in a few weeks.

MEETING— GILANS HEAR OF RELOCATION

George E. Rundquist, Executive Secretary of the Committee on the Resettlement of Japanese Americans, will address Butte residents interested in resettlement tonight at 7:30 o'clock in mess hall 52. Tomorrow night, he will speak to the Canal residents from 7:30 in mess hall 16.

The schedule was announced at the meeting of the Butte Temporary Community Council last night. Said Chairman Dr. Earl Yusa, "Mr. Rundquist has informative, factual data and a wholesome outlook on the resettlement program."

Rundquist Urges Resettlement

Ardent advocate of resettlement and a maker, Executive Secretary George E. Rundquist of the Committee on Resettlement of Japanese Americans urged the residents to resettle as the best practical solution to the minority problem they constitute in America before the CAS Council, Tuesday night.

The Eastern and Midwes-
